2018

BrainWorks Conference

Help Me Help Myself

Tuesday, April 10, 2018

Meadows Events & Conference Center

1 Prairie Meadows Drive - Altoona, IA

7:30 a.m. Registration/Check-in

8:30 a.m. - 4:45 p.m. Conference

CONFERENCE DETAILS

Purpose Statement: The purpose of the 2018 BrainWorks conference is to equip those affected by dementia with the knowledge and resources to live well.

Audience: Includes nurses, nursing assistants, social workers and other dementia care professionals. Family care partners, friends, students and individuals with early-stage dementia are also welcome.

Conference Objectives:

- Identify the needs of caregivers caring for people with dementia.
- Identify strategies to assist in managing caregiver stress.
- Attendees will be able to demonstrate the use of technology as a way to manage dementia.
- Attendees will be able to incorporate the knowledge learned about financial resources to help pay for dementia related costs.
- Demonstrate and describe how to navigate behavioral changes in dementia from the tools presented.

Contact Hours: IBON approved 6.0 Contact Hours

- It is the licensees' responsibility to determine if the continuing education programs they attend meet the requirements of their professional licensure board.
- Full attendance is required to earn contact hours. No partial attendance credit will be awarded.

Accommodations

Call Prairie Meadows Racetrack and Casino Hotel by March 9 for special rate.

GUEST SPEAKERS

Martin J. Schreiber

Former Wisconsin Gov. Martin J. Schreiber is an award-winning crusader for Alzheimer's caregivers and persons with dementia. Marty uses humor and compassion as he shares lessons from his ongoing, decade-plus journey as a caregiver detailed in his acclaimed book, “My Two Elaines: Learning, Coping, and Surviving as an Alzheimer's Caregiver.”

James Hendrix Ph.D.

James A. Hendrix, Ph.D., is Director of Global Science Initiatives at the Alzheimer's Association where he leads the Global Biomarker Standardization Consortium, and assists with the coordination of \$100 million Imaging Dementia-Evidence for Amyloid Scanning (IDEAS) Study on the clinical usefulness of amyloid PET imaging.

Lori La Bey

Lori La Bey is the founder of Alzheimer's Speaks, a Minnesota based advocacy group making an international impact by providing education and support for those dealing with Alzheimer's disease and other dementias.
